Industrial

Hermetic Line M

N New

Hermetic Line M is the new IP65 fitting from Normalit.
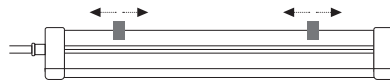

Made on white polycarbonate and with opal diffuser, it is available in three different lenghts:
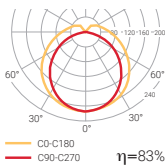

· DM2: 600mm
· DM4: 1200mm
· DM5: 1500mm

Incorporates a fixation system using metal clips that can slide on the body of the luminaire to give different installation options.

Quick and easy access to the connection terminal block.

Quick connection system

Anti condensation valve

Mobile fixing system
